

DEVELOPER

Lohit Kumar A Bhattangi

I am a hard working individual who is dedicated, eager to learn and proven to enhance customer experience by providing excellent service. I want to use my skills and knowledge to gain experience and learn more about the IT industry.

EDUCATION

10th

Kendriya Vidyalaya No-2 Fzr Cantt / Panjab / April, 2016 - April, 2017

Studing basics, developing skills at that grade which would help me in future. In which i have secured 9.2 CGPA over all.

12th

Kendriya Vidyalaya No-2 Belgaum / BELGAUM / April, 2018 - May, 2019

I had taken non-medical to gain knowledge on computer to perceive computer engineering in the future and i had secured 71.3%.

BE/B-tech CSE

Vivekananda Institute Of Technology / Bangalore / August, 2019 - Present

Resently i am pursuing my studies in Computer Science And Engeneering, to enhance my computer language like c, c++, java, python, Graphic Designing etc and i have made 7.5 CGPA till 4th semester of my Under Graduation.

PROJECTS

Student Result Management System

The project was based on the Student result management system in which i have used HTML and CSS for the front end and php MySQL for backend. JavaScript (for the tables).

Its a result management system where faculty will provide the individual student result and the students themselves can check there respective result.
