### Vivekananda Institute Of Technology (Bangalore)

BE/B-tech CSE

Aug, 2019 - Present

Resently i am pursuing my studies in Computer Science And Engineering, to enhance my computer language like c, c++, java, python, Graphic Designing etc and i have made 7.5 CGPA till 6th semester of my Under Graduation.

## PROJECTS

### Student Result Management System

The project was based on the Student result management system in which i have used HTML, CSS, php, MySQL and JavaScript.

Its a result management system where faculty will provide the individual student result and the students themselves can check there respective result.
